

# YOUNG DOCTORS' SEMINAR

- Tax saving ideas early in a career.
- Practice building ideas.
- Does incorporating make sense?
- How to value and buy a practice.
- Advantages and disadvantages of owning your practice or becoming someone's partner.
- How to judge what kind of insurance is right and how much to buy.
- How to save and invest sanely and simply - how to start a program that will provide a debt-free and financially secure future.
- Q&A time to cover other relevant issues.

**THE VENETIAN RESORT - HOTEL - CASINO, LAS VEGAS, NV - April 22-24, 2010**

With a quarter mile canal plied by gondolas, **The Venetian** recreates the grandeur of Renaissance Venice at the heart of the Las Vegas Strip. Its many pleasures include cuisine by premier chefs (such as Mario Batali, Emeril Lagasse and Thomas Keller), 120,000 sq. ft. casino, the world class Canyon Ranch Spa Club and the "in" nightclub, Tao. The landscaped pool is a beauty. This 4 star, AAA 5 Diamond property is comprised of suites that have huge marble baths, sunken living rooms and canopy draped bed chamber. We really enjoyed this hotel a few years ago. **Outstanding rates at \$169, practically 50% off.** Perfect location - it is right in the middle of all the action!
